TOYOTA GENSCAPE™

Visit kysci.org/yss for tickets and more information.

The 2019 Louisville Youth Science Summit, headquartered at Genscape but including lab spaces throughout the region, will bring you face-to-face with STEM professionals in various fields who are working to change the world every day.

Lab Offerings (Middle & High School): Hands-on lab sessions ranging from 1-3 hours. Labs are presented by university, industry, and research professionals from throughout the region.

Speed Mentoring (High School): Imagine speed dating, but with STEM! Rapid fire interactions with a wide variety of professionals to provide youth with advice on college choice, additional educational opportunities, and the lifestyles afforded by different STEM careers.

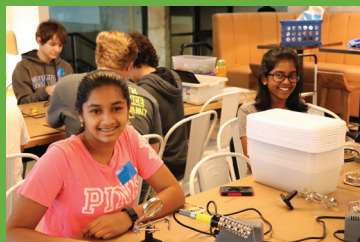

WHO: Middle and High School Students

WHEN: Wednesday, July 10 8:00 AM - 4:00 PM

WHERE: Genscape
1140 Garvin Pl
Louisville, KY 40203

COST: \$45.00 fee includes all activities, breakfast, lunch, and a t-shirt

Register now at kysci.org/yss
