Kentucky Academy of Science

Industry Membership and Sponsorship Guide

The mission of the KAS is to catalyze scientific communication and collaboration that improves research, education, and public engagement with science in the Commonwealth of Kentucky.

Industry Sponsorship Opportunities

We offer several industry sponsorship opportunities to support the activities of the KAS:

Annual Meeting Sponsorship ♦ \$1000+

Support our annual meeting fund that provides two days of scientific presentations, keynote speakers, teacher workshops, food & beverages. Receive free space at career fair and promotion of logo in Annual Meeting media and literature.

Annual Meeting Exhibitor ♦ \$200

Exhibitors receive exhibitor space and promotion of company description in the Annual Meeting Program.

Kentucky Junior Academy of Science Fund ♦ \$500+

Support the development of our young Kentucky scientists through our Junior Academy. High School & Middle school students attend our annual meeting and top ranking students present their research at a national scientific conference.

Student and Faculty Scholarship Funds ♦ \$500+

Support student travel to participate in scientific conferences, and support grant funding for Kentucky scientists.

Join us for our Annual Meeting: November 1-2, 2024
at Kentucky State University
